Faculty and Administration

Faculty & Academic Credentials

The academic calendar is the official Ryerson public document on matters of faculty credentials.

The lists of faculty members and their credentials are updated once annually in March according to [Ryerson Senate Policy 86](#) (Policy and Procedures for Verification of Faculty Credentials Published in the Ryerson Calendar).

The names of awarding institutions have been abbreviated in accordance with the [Association of Commonwealth Universities \(ACU\) Yearbook](#). Awards have been abbreviated based on the practice of the awarding institution where such practice could be confirmed. Otherwise, awards have been printed in full or abbreviated based on the Association of Commonwealth Universities (ACU) Yearbook.
